Day & Night CCD Camera with Infrared Night Vision 65ft/20m

Maxi Day/Night Cam™

High resolution, day & night camera with amazing weather resistant aluminum case.

Keep an eye on your property or business 24/7 with Swann's compact, high performance infrared Maxi Day/Night™ camera. This quality camera features powerful CCD crystal clear images, high resolution 420 TV lines video display and a tough, vandal-proof aluminum case. The incredible Maxi Day/Night™ camera boasts 24 powerful infrared LEDs to turn night into day. Its sharp picture display gives you the ability to monitor your premises day and night with clarity of up to 65 feet (20 metres) in total darkness. It is a breeze to install, just plug 'n' play into your TV, VCR or DVR.

The Maxi Day/Night™ also comes with an adaptive mounting bracket, which can be easily installed to ceilings and walls to ensure you have no 'Security blind spots' around your premises. The Maxi Day/Night™ camera is weather resistant and is even built to withstand the heat of summer and freezing winter down to -4°F/-20°C. If you are looking for a high resolution, tough, dependable, yet affordable camera for 24/7 surveillance, then look no further than the Maxi Day/NightCam™!
